

SEKHUKHUNELAND CONGREGATION YEAR PLAN 2016/17

Failing to plan is planning to fail. Everything someone does on a daily basis should be traceable back to an annual or quarterly plan

Before you speak, listen. Before you write, think. Before you spend, earn. Before you invest, investigate. Before you criticize, appreciate. Before you pray, forgive. Before you quit, try. Before you retire, save. Before you die, give. Sekhukhuneland has planned her activities for 2016 as follows:
